La WebRedonda

Shop online with self-managed credit card payment

You already havethe suppliers,tariffs,stock,andtrading experience.The only thingmissing is to increase**its customer baseto increase your sales.**

Of course I put an online store is not synonymous with effortless million-selling, but is probably the cheapest and easiest way to start conseguirlo.Aumente in less than 48 hours its customer base to more than 6.000.000.000.s.

What do we offer?

- High initial: Mounting their textual contents on the design template of your choice. This process includes the creation of its online product catalog, will be executed by yourself once the shop is operational.

- Reserveyour domain,hostingthe store(so they canvisittheir clients)and emails withyour domain name.
- Search engine submissionforyour shopstart receivingtraffic.
- Multiple languages??(optional extensionnot includedin the price)more detail.[1]
- Content managementplatformconfiguredandready to use,to manageyourselfyour product catalogonline,yourstock, offers,orders, customers,etc..

How does it work?

- **Step 1:** If you want to charge online sales of their products, create yourfreeaccountnow paypal, create yourfreeaccountnowpaypal [2].creefree businessaccountinpaypal.
- **Step 2**:Download the [3]registration form [4].Writethe text youwant to includeon the website,andreturn it to usalong withrelevantimages(the facade,logo...).
- **Step 3**: Choose a [5] design[5]from those availableinthe demo version.

- **Step 4**:Once you have createdthe skeleton ofthe web, add or removeproducts, text or imageswhen andwhere you wan
- **Step 5:**Withthe storenow operational, managecustomerordersviathe administration pagesincluded inthe service.
